

Vacation Bible School (VBS) - Vacation Bible School is an annual, one-week event for children age 3 through 5th grade, which offers Bible stories, crafts, science discovery, recreation, and music. This takes the efforts of many volunteers including adult and older youth. There are many areas in which to help including team leaders, crafts, music, story-telling and more. Anyone interested in helping with VBS should contact the church office.

Confirmation Class - Confirmation is when a person responds to God's grace with intentional commitment, publicly reaffirming his/her baptismal vows before the congregation. Most Confirmands are youth between the ages of eleven and fourteen. First United Methodist Church Columbus offers a yearly confirmation class for youth in the 8th grade. This is a deliberate time of preparation to teach the Confirmands about the meaning of Christian faith, the history and teaching of The United Methodist Church, and an explanation of the baptismal and/or membership vows they will be professing.
